Dear UNA-USA member,

Welcome to the United Nations Association of the USA (UNA-USA)! [<https://unausa.org/>]

As a member of UNA-USA, you are part of a movement of more than 20,000 Americans who are empowered and engaged to support a strong U.S./UN partnership. Why? Because we know that the United Nations is the best possible way for all people around the world to have a chance at a better, healthier, and more just life.

There's so much that you as an individual member can do, learn, and participate in. Here are a few things you can do right now to start making the most of your membership:

Mark your calendar for the next New Member Orientation. As a new member, you are invited to attend the New Member Orientation, which is held quarterly and facilitated by Regional Representatives. Register [<https://unfoundation.zoom.us/meeting/register/tJYtcOmrrjktH9TII3eB6dF5ZhQhrWpvKx67>] for the next orientation on Monday, January 13 at 8 p.m. ET.

Complete our New Member Survey. How did you learn about UNA-USA? What do you hope to accomplish in your first year? We'd like to hear from you! [<https://forms.gle/onNuq74VVMQJLm7g6>]

Network, connect, and collaborate with other members online. Our official UNA Forum is on Slack. This is your virtual community to connect with other advocates, groups, and UNA-USA staff. Create your account today [https://unaforum.slack.com/join/shared_invite/zt-3b0p6xar6-QhfkiPTV7HCFIBLBbxQ71Q#/shared-invite/email] and get started.

Join an Affinity Group. UNA-USA Affinity Groups allow members to connect with like-minded members beyond their chapter or region. Joining an Affinity Group enhances the membership experience and provides a platform for members to align their advocacy within certain issue areas. Explore our Affinity Groups to learn more and get involved. [<https://unausa.org/join/affinity-groups/>]

Connect with your chapter. If you're a part of a chapter, contact a representative to learn more about offerings and ways to engage locally. You can find a point of contact for your chapter in our chapter directory. [<https://unausa.org/chapters/>]

If you are a Member-At-Large, explore UNA-USA Champions. Champions are appointed members who advocate in areas of the U.S. that have no chapter presence, serving a critical role in our efforts to educate and engage Americans about the vital role of the UN. Learn more about the program and apply. [<https://unausa.org/una-usa-champions/>]

These are just some of the unique experiences to explore as you get acclimated with your new membership. We always have something going on to help educate, inspire, and mobilize our members, and we can't wait to offer you even more ways to develop your own personal journey as a UN advocate.

Of course, please note that your membership contribution is tax deductible, so keep this message as a receipt. You may view information regarding your transaction below.

If you have questions about your membership, feel free to contact UNA-USA Membership directly [membership@unausa.org] . We are always happy to hear from you.

Again, thank you for being a part of the UNA-USA community. Together we can help the UN help the world!

Sincerely,
Rachel Bowen Pittman
Executive Director, UNA-USA
